Course Scheduling

As an incoming student, your school office will build your first semester course schedule for you. Each subsequent semester you will be responsible to meet with your faculty/academic advisor to formulate your own schedule.

Disability Services

MSC offers students with disabilities a variety of services to help them succeed in their college careers. Accommodations for students are arranged through the coordinator of disability services and are based on documentation submitted.

All services and academic accommodations are provided on a case by case basis. It is important that students contact the Coordinator of Disability Services on their campus.

Counseling Center

College is a time of self-exploration and development. The MSC counseling center provides a safe place for you to work on your individual needs or thoughts. The center also provides resources on relaxation, meditation and other techniques that can help you through a hard time. They offer workshops and information tables throughout campus each semester.

The counseling center is located in the Matthias Student Health building behind the John W. Stewart Center for Student Activities (STUAC). The center is open from 8:30 a.m. to 4:30 p.m. Monday-Friday. Students who need an appointment with a counselor can call 315.684.6078.

Health Center

The mission of the Health Center at MSC is to tend to the physical and mental health needs of the student body. All students are encouraged to visit the Student Health Center for any non-emergency medical problems or illnesses they may have.

Health Center services are free of charge. In order to utilize the center the student must have a physical within 1 year of the date of admission to MSC on file.

Tutoring Center

MSC provides academic support for the various disciplines taught on campus by offering a tutoring program that fosters student independence, stimulates active and independent learning and builds students' confidence in their own abilities.

The tutoring center, located in Butcher Library, is the central tutorial and study location on campus. Help is available in most subject areas and is free and open to all students.

Part-time peer and professional tutors are available by appointment and on a walk-in basis. Tutoring is flexible and can be done one-on-one or in small groups. Students who need a tutor can contact Tutoring Services by calling 315.684.6067.

Student Success Seminars

The Academic Enrichment Center offers seminars throughout the year that include lessons on job applications, resume writing, cover letters as well as helpful lectures on note taking, easing test anxiety, study tips and more.
