Frequently Asked Questions

What is a deposit?
A deposit holds a space for you in your academic program and in a residence hall. Please note that space in some majors is limited and is reserved on a first-come, first-served basis. Returning the deposit and Commitment Form is the only way to guarantee a seat in your desired major. If you plan to live in a residence hall, a total deposit of $200 is required ($100 will be credited toward tuition and $100 will be credited toward room and board). If you have been notified of acceptance to the Fall semester prior to April 1, your deposit is required by May 1. If you have been accepted after April 1, your deposit is required within 30 days.

How do I apply for Financial Aid?
Students who wish to receive federal loans and grant money must complete a FAFSA (Free Application for Federal Student Aid). This can be accessed at www.fafsa.ed.gov and must be renewed every academic year. For students who reside in New York State, a TAP (Tuition Assistance Program) Application can be completed by visiting www.hesc.org to determine eligibility to receive New York State grant money.

What is Web for Students?
Web for Students allows all accepted Morrisville State College students online access to:
- View and pay deposit and semester bill
- Financial Aid information
- Housing preferences, roommate
- Meal plans
- Classes scheduled
- Laptop option selection
- Grades
- Hospital Insurance Waiver Form
- Email account

Web for Students requires you to input your Morrisville ID# and PIN provided to you in your acceptance packet.

What do I do if I lose my PIN? What if my PIN becomes disabled?
If you lost your pin, please call 315-684-6046 so a new one can be assigned to you. If your PIN is disabled, please contact the Registrar’s Office at 315-684-6066.

How do I find out which textbooks I need for my courses?
By visiting http://bookstore.morrisville.edu you will be able to view all textbooks that are required for your courses. All students have the option of pre-ordering their textbooks at the beginning of each semester.

Who builds my semester course schedule?
As an incoming freshman or transfer student, your school office will build your first semester course schedule for you. Each subsequent semester, students are responsible for meeting with their faculty advisors to formulate their own schedules. Norwich freshmen will build their schedule with an academic advisor.

Where do I send my immunization records?
All health records must be submitted to the Student Health Center which show students have received two MMR vaccines (Measles, Mumps, and Rubella) and proof of the Meningitis vaccine or a Meningitis waiver. Students will not be allowed to register or access their class schedules until they are in compliance with the immunization requirements. If you have health insurance, a copy of your insurance card must be submitted to the Student Health Center. Hospital insurance waiver forms must be submitted on Web for Students. Norwich students can submit their records to the 2nd floor administrative offices in Follett Hall.

How do I know my housing and roommate assignment?
Housing and roommate information can be accessed through Web for Students beginning early June. Roommate and housing are subject to change.
